

TOOL CABINET GUARANTEE & RETURNS

Our Guarantee

Once a tool becomes yours, we're available to help you no matter where you got it or how long ago. Shipment of replacement parts is always on us and available within the United States and Canada.

If your tool cabinet is defective, please contact us at [tekton.com/tool-help](https://www.tekton.com/tool-help) and we'll make it right.

Returns

We accept tool cabinet returns from any U.S. order up to 30 days after its purchase date. We do not currently accept returns from Canada. Tool cabinets must be:

1. Undamaged and in new condition
2. Returned in original packaging and strapped to their pallet

Please visit the [Returns](#) page to start a return. The fee for tool cabinet return shipping is \$175, which will be deducted from your refund amount.
